Premier Competitive Teams for 2017-2018

We would like to give you an overview of our competition program structure.
We hope that your family will begin to look forward to the next year with us!

We offer three competitive dance levels: Premier, Intermediate, and the Elite Company.
(See more information on page 2 for the premier information)

To provide your dancer with the best dance experience, we feel that a smooth transition from dancing in our recreational classes to our competitive team is important. That journey may look different for each dancer but these competitive levels will allow for more choices and flexibility.

We encourage your family to take a look at the chart provided on the next page, giving you the descriptions of what the premier competitive level entails .

You can always use our website as a resource for more information
about our Competitive Teams.
