Competitive Teams for 2017-2018

As the current season comes to an end, we would like to give you an overview of our competition program structure. We hope that your family will begin to look forward to the next year with us!

NEW THIS YEAR – Earlier auditions, groups & class placements will be in July, competition rehearsals starting in September for the Elite Team and acceptance letters and class placement schedules out sooner.

We offer three competitive dance levels: Premier, Intermediate, and the Elite Company.
(See more information on reverse side)

To provide your dancer with the best dance experience, we feel that a smooth transition from dancing in our recreational classes to our competitive team is important. That journey may look different for each dancer but these competitive levels will allow for more choices and flexibility.

We encourage your family to take a look at the chart provided on reverse side, giving you the descriptions of each competitive level.

We hope to see you in summer classes!

You can always use our website as a resource for more information about our Competitive Teams, Summer Registration and so much more.
